**IMOS UK VISIT TO THE WAR GRAVES AND
MEMORIALS OF BELGIUM AND FRANCE.**

Members of the Council,

It is with grateful thanks that I write to you following our recent visit to the Continent in regards to the above mentioned subject. We make this pilgrimage every year to pay our respects to the fallen and also visit our own Memorial to the Barnsley Pals on the Somme.

We made the Pilgrimage on the 9/10/14 to the 14/10/14 staying in Ieper (ypres) and without your kind donation would have struggled to finance the venture. A party of 19 made the visit and toured the Salient in Belgium and Mons, and also The Somme.

Please find enclose some prints of major memorials of the areas we visited plus one of our stone that I hope you can place in the Grove to Commemorate the 100th Anniversary of what was known as the Great War.

Once again thank you very much for your help.

Yours sincerely

Frank Clarke
