**Dear Councillors,**

**On behalf of the local cadet forces Sea, Army, Air I would like to extend their gratitude for your donation which enabled them to visit the Imperial War Museum in Manchester.**

**The day went exceptionally well and the weather was very kind to us which allowed the cadets after their visit to observe the Manchester Police underwater unit do a display, the fire brigade inland water rescue and to cap it all pay a visit on board one of Her Majesties patrol boats.**

**The cadets as you can well imagine were truly excited and the only damper was when they lost a game of five a side football to the Manchester Youth Police Cadets.**

**All this was made possible thanks to your generosity and I, as the County Youth Officer for the Royal British Legion, again offer my most sincere thanks in making these trips possible to our local cadet forces who are trying to make something of their lives.**

**I have enclosed a photograph of some of the cadets who went on this trip for your archives and with their consent.**

**Once again many many thanks for your support,**

**(Peter J Oxby. (County Youth Officer South and West Yorkshire. R.B.L.)**
